

ROBINS CLASS (Year 3) - Weekly overview

Term 1 week 5

Friday 1 October 2026

This week we have been learning about:

English	Reading workshops - with a focus on inference this week Writing creatively - started to explore and predict on our new text 'Claude in the City'. Diary entry recording the activities from our European Day of Languages celebration.
Maths	Plotting 3 digit numbers on a number line with marked intervals Estimating where a 3 digit number might be placed on an unmarked numberline Comparing numbers using < and > TT rockstars to become fluent with x2 x3 x5 and x10
Science	Investigating the question: Is everything magnetic?
Other Subjects:	Music: Following a rhythm PE: Speedy dribbling and shooting in basketball & swimming drills. Geography: Exploring contour lines on a map - understanding the closer the lines, the steeper the gradient. We had great fun finding locations on local O/S maps. Spanish: writing numbers 1-15 and recognising how colours are written Art: Using analogous colours to paint autumnal leaves. RE: I can respond in thanksgiving for things I am grateful for in my life. PSHE: How does sleep help my body? Computing: to recognise the positive in digital devices and link to non-digital.
Other information	Please continue to read as much as possible at home. I've set a further task on Maths Zoo and times tables are also useful. Spellings this term continue to be revisiting 'hard to read and spell' words from KS1 - each child has an individualised list which will be practised daily. The aim is to see these words recorded correctly in written pieces too. PE days Tuesday (PE) and Wednesday (swimming - no earrings please). Please come to school in PE kits on both days (if possible removing earrings). ** please can you send wellies and waterproofs in to school (and perhaps spare socks too!) .. this allows for greater participation in OPAL play. Date for diary: 2pm on Friday 16 October is our Harvest Service at the church. All welcome (all classes play a part in this celebration).

Please don't hesitate to contact me via a message on seesaw or an email to:
