

ROBINS CLASS (Year 3) - Weekly overview

Term 1 week 6

Friday 9 October 2026

This week we have been learning about:

English	Writing creatively - We wrote list poems and we empathised with characters to create freeze frames in drama and then wrote descriptive paragraphs where we described the robber in the short story. Diary entry recording our art activities where we created analogous tones using coloured pencils and layering paper.
Maths	Started new unit on addition and subtraction Adding and subtracting ones from a three digit number TT rockstars to become fluent with x2 x3 x5 and x10
Science	Investigating the question: Are all metals magnetic? We created information posters from our findings.
Other Subjects:	Music: practising for Harvest service PE: Speedy dribbling and bounce passing as a relay race & swimming on our backs, practising floating on our backs. Geography: creating model peaks with cardboard to deepen our understanding of 'contours' Spanish: writing numbers 1-15 Counting games and quiz. Art: A carousel of creative activities using a variety of media to showcase our understanding of complementary and analogous colours. RE: To understand the promises made at a wedding ceremony. PSHE: What can I do when I experience strong emotions? Computing: to understand networks and systems
Other information	Please continue to read as much as possible at home. I've set a further task on Maths Zoo and times tables are also useful. Spellings this term continue to be revisiting 'hard to read and spell' words from KS1 - each child has an individualised list which will be practised in class daily. The aim is to see these words recorded correctly in written pieces too. We had our last swimming session this week. Please continue to come to school dressed in PE kits on Tuesday and Wednesday. ** please can you send wellies and waterproofs in to school (and perhaps spare socks too!) .. this allows for greater participation in OPAL play. We hope you can make it along for the Harvest Service at 2pm on Friday 16 October. There will be a collection of non-perishables at the church door. All welcome (all classes play a part in this celebration).

Please don't hesitate to contact me via a message on seesaw or an email to:
