

Puffins Weekly Overview 2026

Term 4 Week 1

Our trip to Dover Museum was such a success! The class were so well-behaved and impressed the staff with their knowledge and engagement.

Please can we remind everyone to always check that all ingredients of lunchboxes are nut-free. Annabelle had an allergic reaction following lunch on our trip, which thankfully subsided once she was taken outside. But we need to always be mindful. Our children with severe allergies can react to airborne traces of nuts, as well as through touch. Thank you.

Friday, 27 th February	This week we have been learning about ...
