News and reminders	Transition to Eagles Class. The class will spend some time on Monday afternoon and Tuesday morning in the Y5 classroom. Sadly, Mrs Fergusson has a family funeral on Monday and won't be in school. She has planned a lovely activity for the class which Miss Leggett and Miss Brooker will lead. Then Mrs Fergusson will be there on Tuesday morning to get to know the children and tell them all Year 5. PSHE – On Monday morning we are covering the final lesson which explains about body changes as they go through puberty. We do not cover how babies are made, but make them aware of body changes, the start of menstrual periods for girls and the need for good hygiene. This will be covered gently and sensitively, but please be prepared for any questions that your child may come home with. And do consider the use of deodorants when the right time comes for your child, thank you. No swimming on Tuesday, but children should wear PE kits. it will be our DOJO Reward Afternoon – I am trusting that by early next week the class will have achieved the 4000 Dojos to earn their final reward of the year. We will have a fun afternoon including some water games. Please can they bring water guns (non-automatic ones if possible!) If you have a spare you would be willing to lend and could send 2, that would be great. I will provide basic ice lollies. Wellies – please send a bag, we plan to send these home on Monday. Wednesday – please send extra\carrier bags to take piles of books home – on Wednesday we'll empty and clean out our trays and also send most of their books from this year home. Reading books and pencil cases also need to stay at home after this. Quiet Reading time after lunch – Our Story Focus is going really well - we have now read more than 80 books! We're keeping going to see if we can complete 100 by the end of term! School Library books can be borrowed over the summer. Please support your children: one of our new Headteacher Award focuses is reading at home 😊 Reading Records – please keep a record over the summer of all the books your child reads. Consider doing the Kent Library Challenge. Hats – it's continuing HOT! Hats are recommended for PE and playtimes.
