

Eagles Class Overview

Reading	Why we keep active, Extract, Greek Pottery, Ancient Greece and Poetry
English	This week the class have been retelling the story of Odysseus and Cyclops in chronological order using a frame and then rewriting the story as a poem using key language and rhyming couplets.
Maths	Place Value: We have been focusing on rounding numbers or 10, 100 or 1000. In Fun Friday Maths we have been playing Rounding games.
Science	Which material is the most absorbent
IT	Understanding systems and instructions
History	How does Ancient Greek democracy compare to today?
Art	Greek patterns and Greek pottery. Which designs did they use? How did they portray the human form on their pottery?.
PE	Swimming, agility skills for Tag Rugby
Music	Gospel and the history of Gospel. Rapping in rounds
PSHE	How does physical activity benefit us?
Spellings for this week	New personalised spellings to be issued Monday. In class spellings: 'struct', e.g construct, instruct
Extra	Next week Miss Brooker will be teaching Thursday as normal, with the exception of Maths. Mrs Ferguson will be teaching this lesson on Thursday. There are items that are being brought in from home that are getting lost or damaged, including toys and keepsakes. Please can all items remain at home, with the exception of a pencil case. We have access to pens, pencils and art supplies in school. Thank you.
