

## Year 6 - Hawks

Date: 26 <sup>th</sup> Sept 2025	This week we have been learning about ...		
<b>Other information and reminders</b>	<p>* Thank you to everybody who was able to attend the meeting about Bowles on Tuesday. For those who couldn't or wanted more time to look, the slides are now on Seesaw. Please do continue to contact us with any nagging concerns. I will reply as quickly as possible or pass the query on to staff who have better knowledge than I do! Also, remind the children that we only want them to be happy and healthy! We will take their nominations for room and group mates early next week and create groups based entirely on this philosophy.</p> <p>* Please remember there are a few forms to be returned - for Bowles, the cathedral trip and for the cathedral concert. I think we are going to have a busy and fun term 2!</p> <p>* Next week we have the Harvest Festival in church on Wednesday. Children are encouraged to bring a non-perishable food item for the food bank. Hawks will be responsible for collection of the offerings, prayers and a Bible story so please do come along if you can.</p>		
<b>English</b>	<p><b><i>There's a Boy in the Girl's Bathroom</i></b></p> <ul style="list-style-type: none"> <li>* Reviewing and rating our AI generated images.</li> <li>* Creating a story board before acting out a group scene from the book.</li> <li>* Retelling one chapter as a play script, including actor notes and stage directions.</li> <li>* Editing our work to improve it.</li> <li>* Finishing reading the book and discussing how we feel about it.</li> </ul>		
<b>Maths</b>	<p><b>Calculations</b></p> <ul style="list-style-type: none"> <li>* Adding and subtracting integers.</li> <li>* Common factors.</li> <li>* Common multiples.</li> <li>* An investigation into what happens when you add 3 consecutive numbers. See if your child can explain it to you!</li> </ul>		
<b>Other curriculum areas</b>	<p><b>PSHE</b> - Further exploration of respectful relationships with real life scenarios.</p> <p><b>Science</b> - Fossil evidence for evolution.</p> <p><b>Music</b> - Rehearsing and performing on European Day of Languages.</p> <p><b>Geography</b> - Weather patterns across the Americas.</p> <p><b>RE</b> - How might different Christians interpret Genesis 1?</p> <p><b>PE</b> - Creating our own fitness exercises on Thursday afternoon then swimming on Friday.</p> <p><b>Spanish</b> - Names of countries and colours for their flags. We also explored other European languages through song and art and even found out a bit about Asia when Phoebe visited to tell us about her travels!</p> <p><b>Art</b> - Very early design of Christmas Cards for parents to buy!</p>		
<b>Homework</b>	<p><b>Reading and Times Tables</b></p> <p>Above all else, keep practising tables and reading, reading, reading! Dojos are awarded for writing in reading records and improvements in tables tests.</p>	<p><b>Maths</b></p> <p>Children have a sheet to spot mistakes using learning on Place Value. To return on Friday 3<sup>rd</sup> October.</p>	<p><b>Spellings</b></p> <p>These can be practised on Spelling Shed or independently and will be tested on Friday.</p> <p><b>antisocial official superficial special artificial social racial crucial facial beneficial</b></p>
