

Year 6 - Hawks

Date: 10 th October 2025	This week we have been learning about ...		
Other information and reminders	<p>* Please do take the opportunity to come and have a look at what we have been up to on the parents and carers book look day next Wednesday.</p> <p>* Parents are also invited to Celebration Worship on Friday at 9.10, followed by a workshop on Reading and Phonics.</p> <p>* Also this Friday, we will be celebrating reaching a whopping 47,500 Dojo Points earlier this term with a well-deserved treat day. The children have pooled their ideas and, without giving away too many of the adults' plans, they would like to wear their own clothes (anything as long as it is appropriate for school and easy to change for swimming) and bring a soft toy to watch a movie with them. The movie I would like to show is rated PG - please do let me know if you are not happy for your child to watch this or if you want more details without spoiling the secret! Finally, I will provide a few snacks and drinks in the afternoon. Again, please do let me know of any changes to dietary requirements further to those passed up from year 5.</p>		
English	<p><i>There's a Boy in the Girl's Bathroom</i></p> <p>* Planning our own narratives based on the themes of friendship, bullying and fitting in explored in the book. We then wrote these in chunks with additional focus on colons, speech marks, fronted adverbials and spelling. Finally, we edited our own and one another's work.</p>		
Maths	<p>Calculations</p> <p>* Lots of practice with multiplication this week! We began by revising the use of column method to multiply 2-digit numbers with 2- or 3-digit numbers.</p> <p>* Multiplying 2-digit numbers with 4- or even 5-digit numbers.</p> <p>* Exploring real life situations where long multiplication is needed.</p> <p>* Using alternative methods for long multiplication.</p> <p>* Finally, an investigation into multiplication of various 2-digit numbers.</p>		
Other curriculum areas	<p>PSHE - Challenging gender stereotypes.</p> <p>Science - Human evolution timelines.</p> <p>Music - Fun songs and timing with Mrs Gurney.</p> <p>Geography - Researching a chosen country in America for a poster and presentation.</p> <p>RE - Debating whether science and religion are complimentary or conflicting.</p> <p>PE - Fitness and swimming.</p> <p>Computing - Recognising and using icons.</p> <p>Art - Our own Hawks.</p>		
Homework	<p>Reading and Times Tables</p> <p>Above all else, keep practising tables and reading, reading, reading! Dojos are awarded for writing in reading records and improvements in tables tests.</p>	<p>Maths</p> <p>Children have a sheet to deepen learning on multiplication.</p> <p>To return on Friday 17th October.</p>	<p>Spellings</p> <p>These can be practised on Spelling Shed or independently and will be tested on Friday.</p> <p>amateur category correspond environment frequently language occur queue signature twelfth</p>
