

HAWKS

Date	Week commencing: 24/02/2025
Maths	- Percentages
English	- Analysed poetry - Written our own superhero sonnets
Other Subjects	Art: Created superheroes linked to their sonnets PE: Core training and team games RE: Judaism SPAG: Nouns, verbs, adjectives

Term 4 has started with a bang, and we are ready and raring for the term ahead. So that you can be prepared, PE days have changed to a Wednesday and Friday afternoon for the rest of this term. This week there has been quite a few conversations about the upcoming SATS, that will be taking place in May. Understandably, some of the children have felt a little overwhelmed at the prospect however, separate conversations with the children held by Mrs Duhig, Mrs Higgins and I, should have reassured the children that as long as they try their hardest, not only I, but the rest of the school will be so happy and proud of them. In the moment, when you are taking in new information, it can be easy to not take everything in as it was said but rather hear snippets of something, run with it and begin to panic. I would like to reassure you all, as parents and guardians, that everything that was said to the children was said with positive intention and to motivate them and we apologise if anything has been taken the wrong way. Year Six is such a special year whilst also being quite daunting, please know that all the staff are going to extra measures to make sure the children create memories that last a lifetime and that their final year at Barham can be truly cherished. We have spoken, as a class about all our different strengths and how this makes Hawks a wonderful class. We have done positive affirmations and celebrated each other so I would really hate for any of the children to have felt down after our conversations which had so much positivity. That is the end of week one, on to the next with raring energy and having a wonderful time! Have a great weekend and I cannot wait to hear about all the children's adventures on Monday. Please feel free to contact me, should you ever want to.

Best Wishes,

Miss Kelly

Spellings

School Learning	At Home Learning
Determined	Circle
Develop	Complete
Dictionary	Consider
Disastrous	Continue
Embarrass	Decide
Environment	Describe
Equipment	Different
Equipped	Difficult
Especially	Disappear
Exaggerate	Early

I would like you to practice the “At Home Learning” spellings with your child but if you would like to practice the school spellings to help your child further, then please feel free.
