

YEAR 6

Term 6 Week 1

| Date: Friday 11 th June 2021 | This week... |
|--|--|
| We... | <ul style="list-style-type: none">• Talked about our worries and hopes for Secondary school• Learnt how to draw Baravelle spirals• Learnt about World Ocean's Day• Painted pebbles using acrylic pens• Started a project called: "Anywhere Island"• Wrote down some Barham memories• Drew Fibonacci spirals• Practised the fundamentals of Lacrosse• Planned a film• Had our Yearbook photos taken• Painted postcards for our French penpals• Continued our Anywhere Island Projects• Started athletics with our coaches• Said goodbye to Miss Wale |

Welcome back everyone for our final term! It's shaping up to be a good one: filled with fun, laughter, more memories and of course preparation for the next stage.

I hope that everyone has seen the Knowler Farm information pack on Seesaw. Please do not hesitate to ask us any questions before next week.

Also, thank you for all the adorable 'first day' photos I've received. If you haven't sent one yet, could I please have it as early as possible next week (preferably before Wednesday). This is so I can make sure the Yearbooks have been ordered with plenty of time. If this is a problem at all, please let me know. However, to remind you, it can just be a photo from around that time, it does not have to be a photo from precisely their first day.

Many thanks and enjoy the beautiful weather this weekend!

Mr. J
