Homework

I'm still just waiting on a few "First Day" photos. Don't worry if you haven't got an exact first day, it can just be a photo from around the age of 4/5 years old. This will be a part of our Leavers Book and End of Year Service - which needs to be ordered in the next week or so. Please either email them to kieran.johnston@barham.kent.sch.uk

Have a great weekend everyone!
