The class said they all had a great time looking around their secondary schools and I have loved listening to their stories about the day/days, they are definitely ready and familiarising themselves around their new schools makes them feel one step closer to moving. Next week is sports week and we have sports taking place every day for the children. The children will also be able to watch major current sporting tournaments and will practise mindfulness and have some sporty maths problems to figure out in teams. Please make sure the children come in PE kit everyday with hats, suncream and a water bottle, weather dependent. Next week will be our last swimming slot on Friday 11th July. We look forward to seeing you all on Tuesday at sports day.

I hope you have a great weekend; I can't wait to hear about all your adventures on Monday!

Best Wishes,

Miss Kelly
