We have had a very sporty week and so much has gone on which has made time fly. We're almost at the last week of term – how sad!

For this final week we will have more events and activities taking place and lots of things that need to be brought in:

On **Tuesday**, we are having our year 6 water fight in the morning. For this, can you send your child in with a water pistol each and any water balloons, if wanted. The children will need a change of clothes and a towel for the rest of the day and after the water fight, they will be able to buy an ice cream from the ice cream van with the money they raised from their mini enterprise. A drumming showcase will also take place at 2pm in the hall and all of Hawks will attend.

Then on **Wednesday** we will start clearing the class of all their belongings so that they don't leave anything here over summer. Please can you send your child in with an extra carrier bag to take home their books and anything else they may have at school.

On Thursday the children can bring in a spare shirt to have it signed by all of their peers as a lasting memory.

Finally on Friday, a very bittersweet day for them all, where they can officially close this chapter and begin to properly get excited for the next. We have the leaver's service at 11am in the church, children will need to be in smart uniform and then return to school for the leaver's lunch.

I hope you have a great weekend; I can't wait to hear about all your adventures on Monday!

Best Wishes,

Miss Kelly
