	* The leavers' service starts at 11am and it usually lasts around 45 minutes. Year 6 then head back to the school hall where they have a shared lunch with their families (Mrs Taylor has circulated a list for donations to the lunch.) * Timings sometimes differ but the Year 6 children then leave school via the paddock between 1-1:30pm, before the rest of the school leave at 2:15pm. * As you will understand, these timings are not set in stone so, if you can, I would allow to have the whole day free.		
This week	Year 6 have smashed Sports Week! Many children have pushed themselves out of their comfort zone to set a wonderful example of determination and sportsmanship for the rest of the school. They made us so proud on Sports Day, devising and leading their activities with patience and compassion for the younger children. Despite not being there, I have just heard that they played admirably in the rounders today. Despite not winning, I am sure they played as a team after working on these skills all term and feel so proud of their effort. Please see Seesaw for photos from the week.
