Homework

This week's homework, is to prepare and pack for Bowles!

Bowles

- Children can start to arrive from 8:30am on Wednesday – we will meet in the hall.
- Children should be wearing something comfy to travel in.
- Please make sure precautions have been made for travel sickness: tablets taken, wristbands at the ready, water for the coach. We will make sure that anyone who suffers, gets priority at the front of the coach.
- Don't forget to fill in the medical forms, and give all labelled medicines and forms to myself on Wednesday morning.
- We aim to leave school at 9am, so please don't be late.
- We should be back around 6pm on Friday 20th. You will be updated if this time changes.
- Please make sure the children are part of the packing process, it helps if they know what they have for the three days – and labelling is really helpful too, especially when things are put in the drying room.
- Make sure they don't sneak in any electronics!
- If there are any other questions, please come and ask, or send your questions in with the kids.

Have a fantastic weekend everyone!

Mr. J
