Wren's News

WB 3rd November

Welcome back everyone!

This week our learning has been focussed around the theme of fireworks. We started off watching and listening to some fireworks and thought of words we could use to describe the sounds. We read the story called Sparkle in the sky and spoke about different ways we stay safe on bonfire night. The children have painted bonfires, printed fireworks pictures and made fireworks rockets, they have practiced making fireworks patterns in glitter travs too!

This week in phonics we have learnt the sounds, j, v, w and x. We learnt the tricky words: he and she.

The Wrens have been thinking about the sounds fireworks make and writing fireworks poems.

Reminder: Welly boots and mud suits back in school. Please name these as we do have doubles!

Please send in spare clothes, especially socks, these often need changing throughout the day!

If you are sending children in with gloves could you spend some time showing them how to put them on independently and if they find it too difficult maybe get mittens. There isn't enough time to get mud suits, welly boots and gloves on, they would never make it out in time for play! Thank you.
