Dear Parents/Carers,

I hope you all enjoyed the beautiful weather this weekend. Now spring is officially here and we have a date for the children returning to school, things are definitely looking up.

Below is a link for a video message regarding next week and the return to school. As mentioned in the video, class teachers will send a Zoom link for a short meeting this Friday.

Catch-up Funding

'Catch-up' is the official term used by the Department for Education and we have been given funding to be spent on supporting children in their return to school. Further details on how we are using this additional funding are available on the website here:

Please do not hesitate to contact me if you any queries.

Yours sincerely
