Dear Parents/Carers,

I hope you found the parent consultation appointment useful this week. If you feel you need longer to discuss issues with your child's teacher, please don't hesitate to contact them.

Earlier in the week, our Year 5 and 6 pupils created a film of their Remembrance Service. The link was sent out via Seesaw yesterday so if you have not had an opportunity to watch it yet, please check on Seesaw 'Announcements'. Our gratitude goes to Mr Johnston for editing the clips and putting the film together.

### COVID

I am pleased to let you know that there have been no more COVID cases so far this week, which means next week we will be able to return to whole school events and assemblies. Thank you for remaining vigilant and following our guidelines. You play a big part in helping us to manage the spread of the virus. We are truly grateful for your ongoing support.

### Next Week

Anti-bullying week begins on Monday. The children should wear odd socks to school on Monday and on Friday, the children can wear their own clothes for a donation for Children in Need.

### Coats

Please ensure your child brings a coat to school every day. We had several children without coats during a rainy playtime on Tuesday.

### HAF Programme

The Holiday Activities and Food (HAF) programme will be running again for the next academic year. This programme provides holiday club places for children eligible for benefits-related free school meals. More information is available on their website:

Have a good weekend.

Yours sincerely
