March 15th 2022

Dear Parents/Carers,

Thank you for the kind donations sent in on Monday for Ukraine. Mrs Stiles took the items in the morning and they have already been packed in boxes ready to go off to Lviv. We will organise another collection shortly.

A letter has been sent out about next week's parent consultations. This time we have decided to make the parent consultations in person. We will be consulting with you about whether you prefer face-to-face appointments or virtual appointments afterwards so that we can plan accordingly in the future.

COVID cases have reduced to 4 today so we are hoping that we are over the worst now but if you are anxious about coming into school for parents' evening, please let your child's teacher know. Classrooms are equipped with air filters and we will ensure chairs are spread out in the hall.

Office Vacancy

Mrs Glen has sadly left Barham after 19 years of working at the school. She started as a teaching assistant in the infant classes and was recognised for her organisational skills and efficiency so when the office post became vacant, she was asked to fill the role. The school is incredibly grateful for her hard work and professionalism over the years. We will miss her greatly and all wish her the best of luck.

A vacancy has now arisen for an office administrator – details can be found on Kent-teach (link below) if you should know of anyone who might be interested.

Yours sincerely
