Dear Parents/Carers,

Happy New Year!

I hope you had a restful, enjoyable break. It was lovely to see the children back in school again today.

Update on COVID Risk Assessment

Despite the new guidance regarding self-isolation, our risk assessment from the previous term has not changed so we ask that children who test positive for COVID self-isolate for the full ten days and that if someone in the household tests positive that children do not return to school until they have taken a PCR test.

We will be reviewing this shortly but whilst cases locally remain so high (1193 per 100,000 for Bridge, Bishopsbourne and Barham on 3.1.22) we will continue to be cautious. Our priority will be to keep the school open and provide as much 'normality' as possible for the children.

Thank you for your co-operation. All schools have slightly different policies and guidance which can cause confusion so if you have any queries, please do not hesitate to contact the school office.

Yours sincerely
