October 6th 2020

Dear Parents/Carers,

The Plan for Parent Appointments – 2020-2021

I am writing to give you clarification about our current plan for parent appointments that will replace parent evenings over the coming year in response to current restrictions.

Term 1 2020 – Reports

This term we usually hold parents' evenings to let you know how your child has settled into their new class. As the usual face-to-face meetings are not possible, class teachers are writing report cards to let you know: how your child has settled into their new class, first impressions of their reading, writing and Maths, how you can help them at home and finally, if they are receiving any additional support in class.

On each card is the email address of the class teacher so you can contact the teacher directly if you would like further information or have any queries resulting from the short report. You can also contact them if you would like a phone appointment to discuss anything in more detail.

Term 2 2020 & Term 3 2021 - Parent Consultation via Zoom

In term 2, the classes that have changed key stage (Jays and Year 3) along with Year 6 and Wrens will have Zoom meetings.

At the beginning of term 3, Owls, Year 4 and Year 5 will have the opportunity to have a Zoom meeting.

Term 4 2021 Face-to-Face Appointments

There will be a third opportunity to have an appointment with your child's teacher and we are hoping that these will be face-to-face in March during term 4.

Teachers are always available for an informal chat at the end of the school day so please feel free to approach them after they have dismissed all the children in their class.

Yours sincerely

A handwritten signature in blue ink that reads 'Al Higgins'.
