October 7<sup>th</sup> 2022

Dear Parents/Carers,

This week we are pleased to have welcomed Mrs Kim Ward onto our staff team. Many of you will know Kim from Barham Pre-school. She will be working as a teaching assistant in Year 5. We have also welcomed Ivan (Robins) and his family from Ukraine. The children have been fantastic in supporting Ivan and communicating with him, especially whilst playing football at playtimes.

### Parent Celebration Assembly

Next Friday we have our first parent celebration assembly of the year. This is a celebration of all the good things that have happened during the week. If you would like to attend, the assembly starts at 9:10 am in the hall.

### Wrens Questionnaire

Thank you to those parents who have responded to the questionnaire sent out on Monday. The feedback is useful as we had changed the induction period this year. It seems that those of you who responded would prefer a longer induction period. There is still time to give your views but we will close the survey after Wednesday 12<sup>th</sup> October.

Have a good weekend.

Yours sincerely

A handwritten signature in blue ink that reads 'Al Higgins'.
