Dear Parents/Carers,

Whilst the government's decision to delay the removal of restrictions has been disappointing, we have been planning carefully how we can have a 'live' audience and ensure all members of the family can see the two productions.

Our solution is to provide each family with one ticket for the performance (we cannot go above 30 members in the audience with the current guidelines) but the production will also be live-streamed so that other family members can see it at the same time. We have asked a local film company to provide this service and they have been extremely generous in reducing the cost of the filming. Nevertheless, it is a considerable amount so we are asking parents for voluntary contributions of £5 per child to help cover some of the costs. Donations can be sent in to the office (cheques payable to 'Barham School Fund' or cash) or by bank transfer (account 96395183 Sort code 09-01-55)

Your child will bring home an envelope containing one ticket with the seat number. There will also be a slip of paper for contact details that should be completed before the performance (for track and trace purposes). Details about how to access the live-streamed performance will be sent out at a later date.

We hope you enjoy the performance.

Yours sincerely
