October 11<sup>th</sup> 2021

Dear Parents/Carers,

I hope you all had a good weekend and managed to enjoy the glorious weather. Thank you to all of you who came to our first parent celebration assembly of the year. We certainly have a lot to celebrate!

#### **Parent Governor**

We received only one nomination for the role of parent governor last week. In this case the nominee is elected automatically as a parent governor.

We are pleased to let you know that Mr Andrew Dowell (dad to William in Wrens) is duly elected to the Governing Body of the school to serve for a period of four years.

#### **Dogs on the School Grounds**

There has been an increasing number of dogs on the school site at drop off and pick up times. Only Ziggy, the school dog, and service dogs are allowed onto the school grounds. There are a few children in school that are afraid of dogs and both staff and parents have spoken to me recently about their concerns regarding the presence of the dogs on the path and paddock.

#### **Parking by The Shrubbery**

Last week, a concerned neighbour spoke to the school office about her alarm at the way parents are parking along The Shrubbery. As well as parking inconsiderately across drives, cars are parking along the verge and churning up the grass. Please park carefully at drop off and pick up times. Thank you.

Finally, following parents' comments about the possibility of using ParentPay for the FOBS film night on Friday, we hope to be able to set this up for all future events.

Yours sincerely

A handwritten signature in blue ink that reads 'Al Higgins'.
