April 20th 2020

Dear Parents/Carers,

I hope you and your family are continuing to keep well.

I am writing to give you an update on the school's fundraising. I cannot thank you enough for your generosity, especially knowing that these difficult times are likely to have financial implications for so many families.

Thanks to Nuala McGill's fundraising and your generosity, we have exceeded the £1,000 target for the 3D printer and materials to make face shields. Many of these face shields have gone to our parents who work in the NHS as well as pharmacists, care workers, shop assistants and schools where a number of pupils require personal care. Any spare shields go to an organisation that distributes face shields nationally wherever the need is. Our gratitude goes to Rob Mead for his hard work in making these shields. The ones made with the school printer have the school name printed on the band, underneath the word PRUSA.

Not only do I have to thank you for the contributions to the 3D printer but also the sponsored events that took place during charity week. The school raised an incredible £1,738 in total. Charities are likely to be hard hit in the coming months so this money will be of enormous benefit to these charities that support families with children who have an illness or health condition that requires medical support.

Many, many thanks.

Stay safe and look after yourselves.

Best wishes

A handwritten signature in blue ink that reads 'Al Higgins'.
