April 30<sup>th</sup> 2021

Dear Parents/Carers,

We have reached the end of another busy week at Barham and it is wonderful to see the children enjoying the local visits to the farm, swimming sessions and clubs. We are working hard to try and ensure residential visits take place for Year 6 (and Year 5 for next year) and will be in contact with parents next week about the latest developments.

### School Dinners

The website issues seem to have been resolved now but a small problem we have noticed is when dinners are booked after 8:00 am. This is the time that the registers are printed every day and if dinners are booked later, children are not on the list. Younger children cannot always remember that they are having a school dinner and don't let their teacher know. Please could you help us by ordering school dinners before 8:00 am so that the kitchen has the correct number of dinners. Thank you.

### School Uniform

Some children are wearing their PE hoodies instead of a school jumper on non-PE days. The PE hoodies are for PE only please.

### News from FOBS

Great news to share about the Rag-bag collection last Friday—nearly £400 was raised. Thank you to everyone who brought in their bags of pre-loved clothes.

Have a good weekend.

Yours sincerely

A handwritten signature in blue ink that reads 'Al Higgins'.
