May 8th 2020

Dear Parents/Carers,

Thank you everyone for your continued support. The emails and photos of the children have been celebrated among staff and brought much joy to us all. The photo on the left should have been included in this week's newsletter as we are celebrating VE day today. Oliver W (Jays) has been writing to a resident at the local care home about planes and thanking him 'for his plane stories'. I'm sure Patrick loved receiving your letter and picture, Ollie.

For those of you who feel you are not doing as much school work as you would like, please do not worry. Learning is not just recording on paper; all the extra opportunities for talking, playing games, learning how to do household chores and gardening are part of your child's learning too. Do please give me any top tips if you've successfully trained your children in taking out the rubbish/recycling.

I hope your child enjoyed the opportunity to catch up with their teachers and friends in the Zoom sessions. Next week, we will hold another Zoom session for each class. Teachers have just uploaded a new video story, dance or art workshop for their class too.

<http://www.barham.kent.sch.uk/parents/class-pages>

Home learning lessons for next week, are also available on the class pages and for those parents requesting paper copies, they are already in the post or in the box outside the Owls classroom door ready to be collected.

Rev T has done a special VE podcast in commemoration of VE day that can be found through this link: <https://www.podbean.com/ei/pb-qc7t8-dba7dc>

Have a good weekend and stay safe.

Best wishes

Alison Higgins

P.S I discovered last week the parent email cannot cope with too many documents so I will send the newsletter and celebration separately. You will also receive another email with your child's Zoom session log in details later today.
