

# Barham Church of England Primary School

Supporting everyone to be kind,  
confident and curious.

Friday 7<sup>th</sup> June 2024

## This week's news

### Bake Sale

Beatrice (in Hawks class) made us all very proud this week, organising a bake sale for Cancer Research. Here is what Bea's mum has said:

"I just wanted to say a huge thank you! Thank you to all the staff who helped Bea set up, to all the parents and children who donated and showed us unbelievable support! Beatrice has successfully raised a staggering £375 from her bake sale and online donations for cancer research UK. I am simply lost for words with how supportive everyone has been to myself and my children on this journey. We will continue to fight everyday and this is easier knowing we have such a loving, supportive and generous school community! Thank you"

### Gymnastics

A huge well done to Darcie, in Puffins class, on her success at the English Rhythmic Championships. Darcie was a silver medallist, which is an amazing achievement.

### Cathedral Trip

As part of their History topic about Thomas Becket, Robins class went to Canterbury Cathedral this week.

They did a costume trail through the cathedral, telling the story of Thomas Becket. They also had fun in the classroom doing a range of activities, such as making pilgrim badges.

## Dates for your Diary

- Monday 10<sup>th</sup> June** Year 5 trip to Bettshanger Kent Mining Museum, Parent information workshop on maths in school hall (all parents invited) at 2.30pm
