

This week's News

A team from Puffins had an active day at Kings School last week. They participated in various sports in mixed school groups. This was followed with a presentation by two Olympians. The children described it as a 'brilliant' day.

Cara (Eagles) and her family are passionate bee-keepers and this week they shared their knowledge with Eagles. The children were fascinated to hear about the dance bees do to communicate where the best flowers are.

Our Key Stage 2 children enjoyed their first cricket session with Charlie, a coach from Kent County Cricket Club, on Tuesday. These sessions will continue until sports week.

Several classes have now walked up to Heart's Delight farm to learn about plant life-cycles, habitats, classification and how to identify flowers. These practical sessions are an invaluable part of our Science curriculum.

This Week's Awards

Writer of the Week

Francesca (Hawks)

Mathematician of the Week

Kiara (Hawks)

Reader of the Week

Adas (Jays)

Scientist of the Week
