

This Week's News

This has been an exciting week for our younger children as they experienced class trips for the first time. Owls visited Dover Castle, as part of their topic on castles.

Here the children are listening to Lady Eleanor who later took them on a tour of the rooms and explained all the different jobs people would have done. Jays and Wrens visited Reculver beach and had a wonderful time beach combing and rock pooling. Several of the children told me about the amazing crabs they found.

Meanwhile, Hawks have completed Bikeability training this week. This important course prepares the children for on-road cycling including understanding the highway code.

standing the highway code.
