

## This Week's News

Last Friday, the children had a wonderful surprise when the hall was turned into a concert hall. The Brook Street Band played music from the eighteenth

century using authentic instruments from the period. The cello seen in the top photo is over three hundred years old! We all learnt so much about music and instruments and it was hugely enjoyable too. We are very grateful to Lily B's mum, Lisete, who led the band and organised the recital.

Here are the Barham reporters from Hawks Class who are producing a newsletter for pupils. The second edition is available now and has been posted on Seesaw.

Barham's Eco Warriors have organised a battery recycling box for each pupil to bring home so that we can take part in the nation's biggest battery recycling programme. Please start saving your used batteries.

## Message from Rev T

Dear all,

I would like to invite you to a small informal gathering of families at St John's Barham on Sunday 20th March 3pm where there will be refreshments and an opportunity for children to run around, to ask questions, and to ask "What does Church mean for me and my family?" as we move fully away from Covid Restrictions. This is an opportunity to help shape the way we hold services for families and younger children. There's no catch but a catch-up and to hear your stories with only an hour of your time.

With all good blessings  
Stefan (Rev T)
