

This week's News

This week it has been the turn of Year 2 to complete their SATs. These assessments are conducted in a less formal manner than the Y6 SATs and are used to support the teachers' assessment of the children's attainment level. Like our pupils in Hawks, the Owls have demonstrated a positive attitude and done their absolute best. Well done Owls!

Meanwhile, a lucky group from Robins have been exploring in the woods as they start their forest school sessions. They climbed a fallen tree, spotted an early purple orchid,

made dens, created an assault course on fallen branches, drew some bluebells and did acrobatics in hammocks - all in glorious sunshine!

This week, Eagles have been planting as part of their science focus - rosemary, tomato plants and raspberry canes are now in the plant boxes around the pond.
