

## This week's News

Elfridges was a super opportunity for the children to do some Christmas shopping this week; they had a great time choosing presents. Our thanks go to all the elves who wrapped gifts so beautifully.

Santa visited the school on Tuesday and the children had a trip to his magical grotto. Every child was given a personalised gift, which was amazing.

A big thank to the PTA who ran these two events.

Barham Primary School has so much talent! We were all thoroughly entertained on Friday with a vast range of performances, including comedians, dancers and musicians. Well done to all of you for being so courageous to take part, including the Year 6 children that introduced all the acts.

## Christmas Church Service

This year's theme, "Christmas around the World," provided a wonderful opportunity for our children to explore different traditions and customs celebrated during this festive season.

A heartfelt thank you to everyone who attended the service. The children sang beautifully and shared their performances with great enthusiasm. It was a delightful occasion that really captured the spirit of Christmas.

As we approach the festive season, we would like to extend our warmest wishes to you and your families. May you have a peaceful and joyful Christmas, filled with special moments together. We look forward to welcoming the children back in the new year, refreshed and ready for the exciting term ahead.

Thank you once again for your continued support. Enjoy the holidays!
