

## This week's News

Puffins started their cornet lessons this week with Mr Hughes. They will have a 20-week block of lessons and we hope that some of them will be inspired to start learning a musical instrument. Please

contact the office if your child would like to have music lessons in school with a specialist teacher.

We were delighted to welcome back Ian, from KIC theatre, this week. 2024 was a special year as Ian has now been delivering his wonderful drama workshops at Barham for 25 years! Each class had a specially designed workshop on their term's topic. The photo shows Eagles learning about daily life in Ancient Greece and the Olympics.

Swimming lessons have started well this term. The pool is in great condition thanks to the hard work of Mr Rayner. We are the only school in the area to have their own indoor pool and it's always such a joy to see

how much the children love these swimming sessions.
