

This week's News

On Wednesday, Rev T joined Robins (Y3) to give a talk on the Roman Army forts at Hadrian's wall. He even brought in his own homemade shields!

Wrens went on a nature walk on Thursday across the fields, up to the graveyard. The children worked in pairs to collect three items for their journey record.

This gorgeous puppy called 'Hope' is Darcie's (Owls) support dog. You may be lucky enough to see her around school at drop off times. Darcie is about to start life-changing medication for cystic fibrosis and Hope will be there to support Darcie every step of the way.

Forest School Request

If any of you have any unwanted wooden pallets or bits of cut-off trees that are not needed, please contact the school office. Mrs Gooderham is keen to transform the area behind the swimming pool into an area where forest school activities can take place all year round.

This Week's Awards

Writer of the Week

Arie (Puffins)

Wednesday 16th March Fire Safety Talks

Big Garden Birdwatch

The RSPB's Big Garden Birdwatch is back next weekend (Jan 28th—30th). All you need to do is record the number of garden birds that land in your garden over a one-hour period. Last year, over a

million people took part and recorded over 17 million birds, which helped the RSPB create an accurate picture of how our feathered friends are getting on, as well as highlighting which species most need help. You can sign up here to take part: <https://www.rspb.org.uk/get-involved/activities/birdwatch/>
