## This week's News

The Worship Leaders from Hawks (Y6) led their first Collective Worship for the whole school on Tuesday. They re-enacted the parable of The Good Samaritan and reminded the children of the story's link to one of the school values, 'compassion'.

Year 6 are certainly being adventurous on their residential trip at Bowles. As well as team challenges, the children have tried: raft building, skiing, climbing, high ropes and the legendary, 'Leap of Faith'. This cohort are particularly good at supporting and encouraging each other and they have all become more confident about their own abilities. A great way for our oldest children to end the term!
