

## This week's News

Dr Lindsey Cameron from Kent University spent time with Hawks, Eagles and Puffins on the school's 'Be Happy' project. The children discovered what a researcher does and have designed questions for a survey on happiness which will now be collated for the children to complete.

Nathan Morris from Canterbury Rugby Club started his lunchtime rugby sessions last week. This proved popular and it was great to see so many girls involved.

Several classes have been on school trips this week. Owls had an enjoyable day exploring the different parts of Dover Castle (below). Puffins packed in so much on their day out to Samphire Hoe including: pond dipping and classification, soil and rocks analysis and hunting for both fools gold and special orchids.
