

This week's News

A group of children from Hawks and Eagles took part in a hockey tournament at St Edmund's School last week. The children enjoyed different hockey activities in the morning and finished with a tournament in the afternoon. The teams were a mix of players from different schools and Harry (above) came back with a gold medal as his team were the eventual winners. Well done to all the children who took part.

More competition success with two of our pupils in Eagles. Leila and William have designed two of the winning entries in an art competition organised by Whitefriars in Canterbury. Primary children across Canterbury were asked to create a design for a Coronation picture that could be printed onto 6-foot high banners and displayed around Whitefriars. Look out for their colourful banners in May.
