

This week's News

Welcome back to a new term! I hope you all had an enjoyable Christmas break.

At the end of last term, Eagles (Year 5) and Hawks (Year 6) had an opportunity to have a Zoom meeting with their French pen pals from Mont St Eloi. They ex-

changed recipes, asked questions in French and wished them, 'Bonne Année'.

With the new term, brings new topics and Hawks are learning

about electricity in Science. The children above are discovering how the different components work in a circuit to change factors such as speed of motors.

Talent Show

The postponed talent show is happening next Friday morning (January 14th) so all children who made it through the auditions should start practising for this much anticipated event.
