This week's news

Speedstacks Competition

We are proud to share the incredible achievements of our Speed Stack team who recently participated in a thrilling Speed Stack competition against other primary schools at Canterbury Academy. Their remarkable display of team spirit and dedication was commendable. Their unwavering support for one another was evident, as they cheered each other on and celebrated every small victory. We are very proud of our Speed Stack team and their commitment to representing our school with such positive attitudes and determination.

Dance Club

We are thrilled to highlight the fantastic talent and creativity of our Dance Club, led by the amazing Mrs. Gurney. The students have been working hard to create their own unique dances, and recently had the opportunity to showcase their skills during an impromptu performance for parents. We look forward to many more performances in the future.
