Sports Week at Barham

What an exciting Sports Week we have had! This year the children have been introduced to Pilates and cornhole. They loved the triathlon and aquathon events. Classes have experienced a whole mixture of sports including speed stacks, hungry human hippos, circuits, skipping, lacrosse, ultimate frisbee, a roller disco and various inter-house matches. We have also been lucky to have specialist coaches in for Pilates, netball and gymnastics.

A huge well done to everyone who took part and a big thanks to all the volunteers that have been in.

Reminders for Next Friday

Next Friday we say goodbye to our Year 6 children. The whole school will head to St John's Church for our annual Leavers Service at 11 am. Year 6 parents and families are invited to attend.

All children will need a packed lunch next Friday, as no school dinners will be served.

School ends at 2pm next Friday!
