## EAGLES CLASS

Eagles class attended a Science Jamboree this week where they made their own eye balls, experimented with how different colours run in water and launched their own rockets. (See photo!). They also experienced a day at a local secondary school (St Anselm's) where they took part in fun Science, Food Tech and Geography lessons. Plus they enjoyed some rounders and soft ball with the Sixth Formers. Their behaviour was brilliant!

## ONLINE SAFETY TALK

Our children in Hawks and Eagles class had a visit from PC Hogan-Davis to talk to them about the risks of being online and how to keep safe.

## HEART'S DELIGHT VISIT

It was Puffins class who enjoyed a fabulous visit to Heart's Delight Farm this week. They found so many wild flowers and so many bugs!

## MINIOLYMPICS SPORT EVENT

Puffins class spent the day at Kent College taking part in a range of sports events. They loved meeting England Hockey player Grace Balsdon and getting her autograph!
