Our children have absolutely loved the new dinosaur area that Mr. Raynor built. It has been wonderful to see their imaginative play flourish in this space.

OPAL

We would love the following donations: pallets, slides, buggies, scooters, skateboards, pvc pipes, guttering, cable reels, beach spades and buckets, rakes, brooms, tarpaulin, wheelbarrows, tyres and wheels, ropes, nets and plastic crates!

We were also delighted to welcome a lamb for a special visit, providing the children with a memorable hands-on experience. Many thanks to Austin's mum Laura for kindly making this possible.
