

This week's news

Walter (in Robins class) bought his fantastic racing car in to show the school and he told us that he has raced twice at Goodwood so far! Good luck for your next race Walter. Bea used to ride the car too, before she got too tall and Rupert (in Wrens) will be next!

We welcomed back Ian from the KIC theatre this week. Each class did a fabulous drama workshop with him, based on their class topic.

Here is Owls class 'flying' to Kenya to find out what it is like to live there. All the children were smiling, engaged and having so much fun.

Robins class have begun their cornet lessons. They will be learning with Mr. Hughes every Monday. This is such a brilliant opportunity and we can't wait to see (and hear) their progress!
