SMARTPHONE FREE CHILDHOOD PARENT PACT

Want to wait to give your child a smartphone but don't want them to be the odd one out?

You're not alone! There's a growing movement of parents in Kent (and across Britain) who are choosing to wait to give their child a smartphone. The Parent Pact is a way to join together with other families at Barham Primary School to show that delaying giving your child a smartphone until at least 14.

It's all about strength in numbers - your child knows that other kids in their class won't be getting a smartphone for a few more years either, the same as they do. It takes 50 seconds to sign the Parent Pact - and you can see how many other parents at your school have signed have signed on the live leaderboards.

We have opened up a new section of the school site for our OPAL play, which the children love! They can now use the outdoor classroom area and have access to the slide and tyres.

So far with OPAL we have introduced: music, performance stage, adventure playground (when safe), chalks, digging area, quiet garden, small world (animals, dolls), cars, pom poms, scoopers, outdoor classroom, tyres, swing, Lego, field for football, enclosure for basketball, musical instruments (in our willow dome) and a fabulous mud kitchen!

BIG thanks to Mr Raynor who has been busy making more wellie racks and boot cleaning stations.
