This week's news

'Saturday Smarties' masterclass

Oliver and Suleman have been selected to attend the Saturday Smarties Science masterclass at Kings School. This week they said they did 'some very cool experiments'. Suleman explained that they did 'chemistry, physics and biology'.

Well done Oliver and Suleman.

Both boys described one of the experiments was testing how different metals reacted to heat. They used Bunsen burners for the first time. They enjoyed it so much and said they can't wait to go again next time!

Christmas Events

We have a lot of exciting Christmas events coming up. One of which is the FOBS Christmas Fair being held at the village hall on Saturday 9th December. We would love for KS1 to donate sweets and KS2 to donate bottles for the tombola. FOBS are also asking for any unwanted teddy bears to be donated too. Please bring donations in on Friday 8th December.
