This week's news

First Aid Workshops

This week, we were lucky to have a visit from an Emergency Responder, Mr. Jason Roberts. He came in and spoke to all the classes about what to do in case of an emergency.

Mr. Roberts taught them about the importance of knowing when to ring 999. The children were engaged and asked some really thoughtful questions, showing their genuine curiosity and interest in the topic. They learnt how to put someone in the recovery position. Wrens loved seeing the emergency vehicle and trying on the helmet!

A huge thank you to Mr. Roberts for generously volunteering his time to come and share his knowledge with us and provide our students with such valuable learning experiences.

Attendance Ted

Congratulations to Puffins class who had the highest attendance last week.

Bee-utiful Bees!

Our amazing Eco-warriors have taken on a new mission and are now proud 'Friends of the Honey Bee'!

This new initiative is all about reaching out to primary children, and inspiring them to be more bee friendly. So, we want to spread the buzz about the importance of bees and other pollinators. Our Eco-warriors will be sharing their knowledge and encouraging everyone to learn more about bees and their amazing work.
