FIRST AID WORKSHOPS

This week, we had the pleasure of welcoming Jason Roberts, a First Responder, and Nathan Roberts, a Paramedic and former Barham pupil, to our school. They conducted engaging and informative workshops on essential first aid skills, including the recovery position and emergency response techniques. Our children gained invaluable knowledge from their sessions, and we are incredibly grateful to Jason and Nathan for generously sharing their time and expertise with us.

TRIP TO WILDWOOD

At Wildwood, Jays learnt all about how scientists classify animals then had a brilliant time exploring all of the animals and crossing the bear bridge.
