

This week's News

This week has been particularly inspiring, filled with creativity and enthusiasm from all our children.

In Design Technology, Jays have been busy sorting fruits and vegetables, showcasing their skills and teamwork.

They took great delight in using the new Beebots during their computer lesson, which sparked a lot of interest and engagement. It's wonderful to witness their eagerness to learn through hands-on activities!

Paisley in Puffins has done an incredible job drawing and describing a Viking, whilst the Owls children have produced some stunning animal pictures, exploring texture and pattern in their artwork.

We would like to extend a huge shout out to Oonagh in Robins. She has exemplified kindness and selflessness by raising £110 from selling her toys on Vinted, which she will be donating to the school for our new cabin. It is heartwarming to see our pupils develop such compassionate traits at a young age. Well done Oonagh, we are very grateful.

Happy Birthday To ...
