This week's news

Football Matches

We are so proud of both of our football teams that played in matches this week. The girls team had their very first match against Pilgrim's Way and played with amazing determination, with both Chloe and Erin scoring goals. Well done girls!

10 footballers from Years 4 and 5 were invited along to the "Shepherdswell Football Invitational". These children had never represented the school before, but did a fantastic job on Wednesday. After a nervous start, the team grew stronger and more confident - eventually finishing the tournament in 3rd place! Huge thanks to the parents that were able to help with transport.

Robins class made their annual visit to Heart's Delight Farm this week where they learnt about seed dispersal, went wild flower spotting and discovered the rare pyramidal orchid in several places at the edge of the wild flower field. Their behaviour was incredible and everyone learnt a lot!
