Art in the Woods

Some of our Puffins enjoyed a wonderful morning at Walderchain Woods with Year 4 pupils from Bridge Primary School.

This was led by Mrs Smith, Bridge School's Art Teacher. It was a fantastic opportunity to create and learn together, and we hope to enjoy more art collaborations in the future.

Celebrating Our Young Pianists

Some of our pianists performed a wonderful concert for parents and family members this week. Taught by the talented music teacher, Alice from Make Time For Music, the children impressed everyone with their confidence, skill and dedication. Well done to all involved!

Transition Visits

Our Year 6 pupils have enjoyed visiting their secondary schools this week as part of their transition journey. We are proud of how confidently they have embraced this exciting next step. Meanwhile, our new Wrens have been enjoying their Stay and Play sessions, helping them settle in and get ready for starting school in September.
